

CAREERS IN CARELAND SUPPORT

The course boosted my confidence and developed new skills. The tutor was fantastic and believed in me.

Student, City & Guilds VRQ supporting the development needs of vulnerable people

How else can we help with your training?

In addition to the courses above, there are many different ways we may be able to help. To talk to us, please call 020 7492 2521/4.

Training for employers

We can provide short, bespoke courses to develop and up-skill your workforce. We also offer accredited courses through the government funded Train to Gain programme in sectors including health and social care, childcare and IT. We welcome training enquiries from all employers.

Training for people in work and volunteers

Would you like to improve your career prospects? At City Lit you can gain a qualification in health and social care, support work, childcare, IT, literacy and numeracy. You may be eligible for free training as part of the government's Train to Gain programme.

Looking to build or develop your career in childcare?

City Lit offers fully accredited childcare courses at various levels. These are not listed in this guide, but if you would like to work with children or further develop your career in childcare, or you are an employer who would like training for your staff, please call us on 020 7492 2524 for further information.

Family learning

City Lit provides enjoyable and effective family learning courses for parents and children in the community. To find out more, please contact us on 020 7492 2524.
